

Final Approved Department and Agent Registry

Status: Approved working registry Primary source: NoDrftSystems_Final_Approved_Agent_Registry.pdf
Normalized: 2026-04-14

Verified Facts

- The approved source registry states 45 total official agents.
- The approved tier distribution is 4 Tier 1 supervisor agents, 37 Tier 2 operational/governance agents across 8 departments, and 4 Tier 3 specialist agents.
- People, Roles & Governance is explicitly formalized as a full department in the approved source.
- Every agent below is explicitly assigned to a tier and department. No assignment in this file is implied.

Current Approval Rule

- The architecture is not capped at 40 agents.
- The current official assigned architecture contains 45 agents.
- Additional agents may be added when precision, governance coverage, or operational control requires it.
- Existing agent codes and Caribbean names remain unchanged.
